

## **Dear Parents and Carers**

Below you will find details of the new date for Exe Factor, together with some reports by children of some of last week's events.

Have a lovely weekend.

## **Exe Factor 2025**

We are sorry for the inconvenience of the change of date for this, but as you will be aware, we had to take these measures due to the current cases of Chickenpox. We are proposing that we now hold the Exe Factor competition on Friday 4th April, the final day of the term. This will be at 2pm in the hall. We appreciate that there will be a lot going on that week, with the various Easter/ Spring concerts, but the children have worked hard to rehearse their acts, and we don't want to leave them waiting until after Easter. Thank you for your support with this.

## **Rocksteady concert - date change!**

The Rocksteady concert that was due to be next Wednesday, 26th March at 10am, is having to be rearranged. Olly (the band leader) is now on Paternity leave! The rearranged date is Wednesday 30th May at 10am. Sorry for any inconvenience caused.

### Paddleboat theatre - ‘the Elves and the Shoemaker.’

Last week we watched Elf and the shoemaker. The elves helped make shoes even though they were afraid of humans. They went on a mission. It was 40 minutes long. We thought it was 10/10. We thought it was impressive. They elves even ran out of biscuits. There were two boys and one girl. I think it took 100 tries for them to make the shoe. The girl elf was in trouble for being seen by the man! We were very shocked at how good it was, and we don't think anything would be better. They stole a lot of stuff from the shoemaker. They loved biscuits and stole them from a human and they always said "be smart, be safe, keep out off site an elf always tried to do what is right ". It was 5,00000/100. We loved it.

## Sister Act

The year sixes (on Monday 10th March) went to watch some students of St James perform the musical 'Sister Act'. All of the year sixes really enjoyed the show and the performance took 2 hours! There was a stage lighting technician and a sound technician who controlled everyone (I thought she was also a director). There was a love story in the play and there was a guy (this is not his real name) called Sweaty Eddie!
